## Profile Summary

Computer Science undergraduate with hands-on experience building responsive web apps using HTML, CSS, JavaScript, and Bootstrap. Strong foundation in Java and currently learning backend development with Java EE SQL. Passionate about real-world problem-solving and continuous learning.

## Education

**B.Tech in Computer Science**, IES College of Technology, Bhopal, MP  
CGPA: 7.88 / 10.00 2023–2027

**High School**, Aurangabad, Bihar  
Percentage: 84% 2021–2023

## Technical Skills

**Languages:** C/C++, Java

**Web Technologies:** HTML, CSS, Bootstrap, JS

**Backend:** Java EE, SQL

**Tools:** Git, GitHub, ChatGPT

**Core CS:** Data Structures, OOP, Operating System

## Projects

**Personal Portfolio Website** – Bootstrap, CSS, JavaScript

Built a responsive site to showcase projects and contact details. Included smooth scrolling, interactive sections, and validation.

**GitHub User Detail Fetcher** – JS, Bootstrap

Developed a web application that fetches and displays GitHub user profiles using the GitHub REST API, JavaScript, AJAX, and Bootstrap. Users can enter a GitHub username to view real-time details like profile info, repositories, followers, and more. Focused on responsive UI and dynamic content rendering.

**Employee Management System** – Java SE, JDBC, Oracle

Built a desktop-based CRUD application using Core Java, JDBC, and Oracle Database. Implemented functionalities such as add, update, delete, and search for employee records. Focused on efficient database connectivity, data validation, and modular code structure for maintainability.

**Weatherly-JS** – AJAX, JS, Bootstrap

Developed a responsive web application to display real-time weather data using AJAX, JavaScript, and Bootstrap. Integrated a third-party weather API to fetch live updates and dynamically render data without page reloads. Emphasized clean UI, mobile responsiveness, and seamless user interaction.

## Certifications & Achievements

**Google Badges**-g.dev/Dheeraj-45

**LeetCode** – Solved 150+ problems on LeetCode

**GeekforGeeks** – Progress at G4G

**Object-Oriented Programming** – NPTEL, IIT Roorkee

**Internet of Things** – NPTEL, IIT Kharagpur

**Communication Skills** – NPTEL, IIT Madras

**IEEE** – Active Student Member

**SCA Bhopal** – Java Development and C++/DSA Courses
